PROCEDURE
RFP #17-10

This Addendum forms part of the original document marked: RFP #17-10 Seacoast Planning and Implementation Evacuation Services Procedure.

Question 1: What is the geographic scope of the coverage for this project?

The geographic area is the entire Seacoast of New Hampshire. Emphasis will initially be put on an area ten miles away from the shoreline, but then where do they go? Should we evacuate further? Do we need somewhere for them to evacuate to?

Question 2: Has an estimated budget for this project been established?

There is no established budget. We are trying to figure out how much this will cost to get done.

Question 3: Is the completion of service dates on page 9 paragraph 6 correct?

The November timeline is for bidders to give us an estimate as to when the phases will be complete.

Please acknowledge receipt of this addendum within your proposal, failure to do so may subject a bidder to disqualification.
