Addendum #1

Request for Proposal #18-07
African Burial Ground Memorial and Commemorative Park Project

Attention to all proposers submitting proposals for the African Burial Ground Memorial and Commemorative Park Project to be received at 1:30 p.m. on December 14, 2006.

The following clarifications form Addendum #1 and become part of the original document #18-07.

1. Task 3 and Task 4 on page 3. Both the survey and existing conditions plans shall include the delineation of property lines. Proposers shall note that in New Hampshire surveyed plans with property lines are required to be stamped by a surveyor.
2. Task 9 on page 3. Proposers shall plan for one meeting as part of this task.
3. Task 10 page 4. The City will be requiring stamped engineered drawings for the final design plans.
4. Task 11 on page 4. Clarification: Construction layout services are required.
5. Task 12 on page 4. Omit this task from the RFP. Therefore no unit cost shall be provided for Task 12 as also requested in this section.
6. Submittal requirements page 5. Six copies of the proposal must be submitted.

The last day to submit questions regarding this RFP will be on December 7, 2006

Please acknowledge receipt of this addendum within your proposal, failure to do so may result in disqualification.

Included are the pre-proposal meeting sign in sheets.
