IMMEDIATE
RELEASE**

October 19, 2016

Intersection of Islington Street and Bridge Street to be closed

PORTSMOUTH, NH – A developer at 40 Bridge Street has been working to make utility and streetscape improvements along Bridge Street. On Thursday, October 20th and Friday, October 21st, the City will be accommodating the Contractor doing this work by closing down the beginning of Islington Street in order to make the final sewer connections. The detour route will be Summer Street to State Street to Middle Street. The road will be reopened to thru traffic each night.

Islington Street Detour Route

1 inch = 83 feet
