## **Off-Leash Dog Area at Route 33 Park and Ride Open to Residents**

PORTSMOUTH, NH – The Department of Public Works has officially opened land off of the Route 33 Park and Ride on Greenland Road (Route 33) to serve as a new off-leash dog park location. This land, which is about five acres and includes walking trails, was developed for the community following the closure of the Peirce Island off-leash dog area. The Peirce Island area will remain closed during the entirety of the Peirce Island Wastewater Treatment facility upgrade project, which is expected to be four years.

In addition to walking trails, the Route 33 location provides ample space and parking for pet owners. The land's proximity to the Hampton Rail Trail and the Great Bog area also has further potential to serve as a walkable and bikeable connector between these public spaces.
