**MEETING NOTICE**

**LITTLE HARBOR ROAD TREE REMOVAL  
PUBLIC COORDINATION MEETING  
Thursday, September 23 at 6:30 pm**

**MEETING PURPOSE**

The purpose of the meeting is to advise property owners, residents and businesses along Little Harbor Road of the plans for tree removal by Eversource.

Eversource plans to deploy a crane to remove select trees identified as impeding the power lines along the right-of-way. The removal plan was approved by the Trees and Public Greenery Committee after public comment and a site walk. This meeting is intended for those with Little Harbor Road residence or business addresses, in order to answer specific questions about the work plan, schedule and logistics.

**The work requires the closure of Little Harbor Road from 7 am to 3 pm for five days, September 27 through October 1, 2021.**

Emergency fire, police and paramedics will be stationed on the far side of the work area every day should an emergency arise.

**ZOOM MEETING**

This is a hybrid meeting. Members of the public are able to attend the meeting in person in City Hall Chambers OR participate remotely, via Zoom.
