

CITY OF PORTSMOUTH

**Inspections Department International Plumbing Code Updates Seminar
Meeting Notice**

Thursday, April 27, 2023 from 9 am to 12 noon
City Hall Council Chamber

This is a hybrid meeting held in-person and via Zoom.

To attend in person or via Zoom please register in advance at:

https://us06web.zoom.us/webinar/register/WN_CTd2CuoHTwSFX5W16oox3w#/registration

After registering, you will receive a confirmation email. Those who want to join by Zoom should use the information about joining the webinar in that email.

Led by instructor Ronald Lemere the seminar will allow participants to identify and discuss recent changes to the 2018 International Plumbing Code (IPC) and to apply the changes to the review and inspection process.

Course content includes additions and modifications to:

- Definitions
- General regulations
- Future requirements
- Water heaters
- Water distribution
- Sanitary drainage
- Indirect and special waste vents
- Traps, interceptions and separators

For more information, contact Tim Metivier, Assistant Building Inspector at 603-610-7934 or email: trmetivier@cityofportsmouth.com
