"There is not a village in America, however badly planned at first,
or ill-built afterwards, that may not be redeemed, in a great measure,
by the aid of shade trees in the streets … and it is never too late
or too early to project improvements of this kind."
Andrew Jackson Downing (1815-1852)

AGENDA
CITY OF PORTSMOUTH
TREES AND PUBLIC GREENERY COMMITTEE
8:00 AM – Wednesday, May 10, 2023

1. Acceptance of Minutes of April 19, 2023 meeting. (attached)

2. Tree Removal Requests.
   - **441 Richards Ave**: (3) ash, homeowner request, removal recommended by City. All three trees at this address show signs of EAB infestation.
   - **179 Woodbury Ave**: (1) ash, City request, removal recommended by City. Tree is showing signs of EAB infestation.
   - **216 Woodbury Ave**: (1) planetree, City request, removal recommended by City. This tree will be removed as part of a sidewalk installation project. This tree has a significant lean and is planted under utility lines. A new tree will be planted as a replacement. (See attached documents) [**See attached cover letter and plan.]**
   - **449 Ocean Rd**: (1) ash, Eversource request, removal recommended by City. Tree is showing signs of EAB infestation.
   - **Ocean Rd and Patricia Dr**: (1) pine, Eversource request, removal recommended by City. There is a significant basal cavity.
